

Lake Hiawatha Association

2022 Annual Dues

Dear Lake Resident:

It's Spring Again!!!!

Hope this notice finds everyone well and looking forward to the nice weather and fun in the sun! As you know, annual dues go towards maintenance of the lake, beach and boat ramp. Additionally, required permitting, real estate taxes and other amenities such as portable restroom facilities are also paid for with dues revenue. The LHA association has always tried to keep dues at a comfortable level for all.

Unfortunately, we are forced to increase dues this year due to increases in all of the maintenance services mentioned above. Additionally, we now need to maintain a fund for insurance and legal purposes in order to keep the Corporation in good standing. With all of that in mind, the Lake Hiawatha Association has raised annual dues to \$100 to uphold the beauty of the Lake, where members can enjoy swimming, the beach area, catch-and-release fishing, boating, skating and kayaking. The new rate amounts to less than 28 cents per day towards preserving a wonderful natural resource that provides so much enjoyment to us all. Thank you for your continued support.

Please fill out the form below and mail with your \$100.00 dollar payment today!!!
